A Saint-Saens Organ Album Martin Setchell

This is a wonderful collection of popular and some less well-known pieces. It contains three movements from *The Carnival of the Animals*, the slow movement and the famous Maestoso section from the 'Organ' Symphony (No. 3), the meltingly beautiful aria 'Softly awakes my heart' from the opera *Samson and Delilah*, the opening section of the *Danse Macabre*, and several other pieces illustrating the range of Saint-Saëns' compositional style. All the pieces are immensely playable and have been chosen to suit the needs of both church and concert organists.
