The proliferation of modern technology like e-mail and text messaging stresses speed over finesse: we depend on abbreviations and shortcuts while overlooking elegant, clear communication. While that's handy for an informal note, what happens when we really have to compose a persuasive business letter, produce an effective report, or present an idea creatively? When the quality of our words really matters, *Persuasive Writing* can help. It features a simple, three-step process for mastering the principles of written business communication. First: define the purpose of the message. Second: organize the necessary information. Third: support your opinions with solid proof. The CD-ROM that comes with the book contains additional tools, tips, and tricks so any business professional can develop an effective personal writing style.
