Dying to Grow: Reclaiming the Heart for Evangelism in the Church Nathan Lorick

Never before have we seen the church degenerate at such a rapid pace. This is largely due to the church pursuing congregational growth instead of kingdom growth. The church is dying because our growth isn't based on strategies to reach the lost with the gospel. The time to change is now, we can't wait any longer. People's eternities are at stake. What is your church's priority? Are you more concerned with filling your building or furthering the Kingdom? This book will challenge you to evaluate just how important gospel-based evangelism is to you and your church, and call on you to restore an intentional evangelism strategy within the body. Hell will tremble when churches once again make evangelism the central theme of their strategy.
