Exposure Evelyn Anthony

An investigative reporter hired to expose corruption at the highest levels of the government uncovers a chilling link to World War II in this expertly crafted thriller

As investigative reporter for the *Sunday Herald*'s high-profile "Exposure" column, Julia Hamilton exposes everything from corruption in high places to the mutilation and murder of five-year-old twin sisters in a small Welsh village. Now that Julia's proven herself, her boss, Lord William Western, entrusts her with her most challenging assignment yet: Dig up dirt on rival media tycoon Harold King. Rumored to be linked to the Mafia and terrorist groups, King came out of nowhere to emerge as one of the country's most controversial figures. Julia must find out what the self-proclaimed Pole—who speaks fluent German—is concealing.

With formidable editor Ben Harris accompanying her, she travels to Nessenberg, Germany, where a young King—then known as Hans Koenig—was rescued from a refugee camp after the war by a kindhearted Englishwoman. As they delve deeper, Julia and Ben uncover evidence that King's entire past may be pure invention. But the truth is far more horrific than anyone imagines: a legacy of hate and mass murder that stretches back almost a half century—and a shared secret that two powerful men are determined to keep buried forever.

From reader reviews:

Jack Baldwin:

Book will be written, printed, or highlighted for everything. You can understand everything you want by a guide. Book has a different type. As it is known to us that book is important thing to bring us around the world. Close to that you can your reading proficiency was fluently. A book Exposure will make you to be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that will open or reading the book make you bored. It's not make you fun. Why they might be thought like that? Have you seeking best book or suited book with you?

Mamie Esters:

Do you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you find out the inside because don't determine book by its cover may doesn't work the following is difficult job because you are frightened that the inside maybe not since fantastic as in the outside look likes. Maybe you answer may be Exposure why because the fantastic cover that make you consider concerning the content will not disappoint a person. The inside or content is actually fantastic as the outside or maybe cover. Your reading 6th sense will directly direct you to pick up this book.

Tim Andrus:

Beside this kind of Exposure in your phone, it may give you a way to get nearer to the new knowledge or information. The information and the knowledge you are going to got here is fresh in the oven so don't possibly be worry if you feel like an older people live in narrow town. It is good thing to have Exposure because this book offers for you readable information. Do you oftentimes have book but you rarely get what it's exactly about. Oh come on, that would not happen if you have this inside your hand. The Enjoyable blend here cannot be questionable, including treasuring beautiful island. Use you still want to miss it? Find this book in addition to read it from at this point!

Darren Perez:

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from the book. Book is published or printed or created from each source which filled update of news. In this particular modern era like currently, many ways to get information are available for you. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just trying to find the Exposure when you desired it?
