## Fallout: A Novel (P.S. (Paperback)) Sadie Jones

Sadie Jones, the award winning, bestselling author of *The Uninvited Guests* and *The Outcast*, explores the theater of love, the politics of theater, and the love of writing in this deeply romantic story about a young playwright in 1970s London.

Leaving behind an emotionally disastrous childhood in a provincial northern town, budding playwright Luke Kanowski begins a new life in London that includes Paul Driscoll, an aspiring producer who will become his best friend, and Leigh Radley, Paul's girlfriend. Talented and ambitious, the trio found a small theater company that enjoys unexpected early success. Then, one fateful evening, Luke meets Nina Jacobs, a dynamic and emotionally damaged actress he cannot forget, even after she drifts into a marriage with a manipulative theater producer.

As Luke becomes a highly sought after playwright, he stumbles in love, caught in two triangles where love requited and unrequited, friendship, and art will clash with terrible consequences for all involved.

*Fallout* is an elegantly crafted novel whose characters struggle to escape the various cataclysms of their respective pasts. Falling in love convinces us we are the pawns of the gods; *Fallout* brings us firmly into the psyche of romantic love—its sickness and its ecstasy.
