## **Oedipus at Thebes Sophocles Tragic Hero and His Time** B. Knox

In this widely praised book, an eminent classicist examines Sophocles' Oedipus Tyrannus in the context of fifth-century B.C. Athens. In attempting to discover what the play meant to Sophocles' contemporaries-and in particular in disentangling Sophocles' ideas from Freud's psychoanalytical interpretations-Bernard Knox casts fresh light on its timeless and universal nature. For this edition, Knox has provided a new preface and a list of suggested readings. "What a joy it is to welcome this book back in print. As perennial as Sophocles' great play itself, Knox's work has never gone out of date, and never will."-Robert Fagles Reviews of the earlier editions: "A superb analysis, demonstrating that when classical study is aware of Freud and the techniques of modern literary criticism, it can be as exciting nowadays as it must have been during the Renaissance."-New Yorker "A superb critical and textual investigation."-New York Times "One of the major contributions to Sophoclean and to Greek studies in recent years."-Virginia Quarterly Review "A magnificent contribution ... which is really required reading."-Cedric Whitman, American Journal of Philology "A brilliant piece of work combining the best of classical scholarship with the best of modern literary criticism."-John E. Rexine, Hellenic World

Let's have Oedipus at Thebes Sophocles Tragic Hero and His Time.

#### **Lillian Thrasher:**

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Oedipus at Thebes Sophocles Tragic Hero and His Time can make you truly feel more interested to read.
