Reagan Youth (Deadly Class) Rick Remender

"*Deadly Class* is a solid read for those who want a combination of Mark Millar's *Wanted* and Harry Potter with Garth Ennis's (*Preacher*) style." - *Library Journal* (Starred)

"A good start to a wicked series." -- *Booklist*

It's 1987. Marcus Lopez hates school. His grades suck. The jocks are hassling his friends. He can't focus in class. But the jocks are the children of Joseph Stalin's top assassin, the teachers are members of an ancient league of assassins, the class he's failing is "Dismemberment 101," and his crush has a double-digit body count. Welcome to the most brutal high school on earth, where the world's top crime families send the next generation of assassins to be trained. Murder is an art. Killing is a craft. At Kings Dominion School for the Deadly Arts, the dagger in your back isn't always metaphorical.

Collecting the first arc of the most critically acclaimed new series of 2014, by writer Rick Remender (*Black Science*, *Fear Agent*) and rising star artist Wesley Craig (*Batman*).
