Tomboy

Thomas Meinecke

Tomboy Thomas Meinecke

This innovative novel from German author Thomas Meinecke takes a thought-provoking look at the role of gender in the social, artistic, and intellectual pursuits of a group of inquisitive university students living in Heidelberg. The clique includes bisexual Korinna, a star tennis player and obsessive reader of Michel Foucault's and Judith Butler's theories of sexuality; Frauke, a lesbian doctoral student writing her dissertation about Christ's foreskin; Frauke's fiancée Angela, formerly Angelo, a Bible-reading Italian Catholic who considers himself a lesbian; and Hans, a self-described male feminist who believes that men suffer from "reproduction envy." Last but not least is Vivian, a half-German, half-American student whose work on her master's thesis leads her to throw out an incessant series of questions to these friends and classmates—and thus to us, the readers. Structured around Vivian's questions, *Tomboy* examines why things are the way they are, particularly regarding the perception of gender between individuals and in society as a whole. Fans of novelists David Foster Wallace and J. G. Ballard, as well as such theorists as Foucault and Butler, are sure to be intrigued by this extraordinary postmodern exercise in literature.

From reader reviews:

Belia Gillespie:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite guide and reading a reserve. Beside you can solve your trouble; you can add your knowledge by the book entitled Tomboy. Try to make book Tomboy as your close friend. It means that it can for being your friend when you sense alone and beside that course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you much more confidence because you can know every little thing by the book. So , let's make new experience along with knowledge with this book.

Bill Kelly:

Do you one among people who can't read enjoyable if the sentence chained inside straightway, hold on guys this kind of aren't like that. This Tomboy book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable reading through experience without leaving possibly decrease the knowledge that want to give to you. The writer of Tomboy content conveys thinking easily to understand by most people. The printed and e-book are not different in the written content but it just different by means of it. So , do you still thinking Tomboy is not loveable to be your top listing reading book?

Dave Edwards:

This Tomboy is great e-book for you because the content and that is full of information for you who also always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great coordinate word or we can point out no rambling sentences within it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but challenging core information with beautiful delivering sentences. Having Tomboy in your hand like finding the world in your arm, details in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen small right but this reserve already do that. So , this is certainly good reading book. Hello Mr. and Mrs. active do you still doubt which?

Micheal Ruiz:

Is it you who having spare time and then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Tomboy can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these books have than the others?
