From a massive urban forest to the tiniest brewpub, Portland offers a huge variety of entertainments within a surprisingly compact area. Organic coffeeshops line the streets at the foot of an extinct volcano, and independent bookstores nestle up against food-cart pods. Already famous for its great beer, the city has become a center for serious dining on a reasonable budget. And thanks to years of progressive urban planning, Portland's layout makes it a walker's nirvana.

In *Walking Portland*, devoted local Becky Ohlsen guides you through the Rose City's many charms, from idyllic waterfront fountains to the more obscure and out-of-the-way pockets of cool. On each walk, you'll discover hidden gardens, historic landmarks, award-winning restaurants, old-school taverns, oddball shops, and edgy warehouse galleries in some of the Northwest's most exciting neighborhoods. You'll cross bridges and graveyards, wander a Smithsonian-honored boulevard, see experiments in urban renewal (some inspiring, some dubious) and be regaled with stories of the city's colorful past. Whether you're looking for a leisurely stroll full of shopping and snacks or a vigorous trek over tree-covered hillsides, grab this book, step outside and . . . walk Portland.

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
