Captive Heat [Saving McCade: To Catch a Pirate] (Siren Publishing Classic) Angela Claire
Saving McCade [Siren Classic: Erotic Contemporary Romantic Suspense] What more could an innocent man behind bars want but a conjugal visit from a sexy stranger? A get-out-of-jail-free card, maybe? Undercover agent Meredith DeView is offering Steve McCade a deal: work with her in a secluded safe house to crack the smuggling ring at his old tech company, and the FBI will guarantee he never has to return to prison. Sounds good...if he can only keep his hands off the hot agent who's rescued him. Meredith is sex and salvation all wrapped up in one for McCade, but there's a dark truth that's driven her to seek him out. By getting him to the safe house, Meredith ensures that McCade goes free, even if she never comes clean. When McCade finally learns the truth, will he hate Meredith, or will the truth set them both free? ** To Catch a Pirate [Siren Classic: Erotic Historical Romance] Jamie Banion, captain of The Ocean Jewel, comes by his piracy honestly. He was born into it, son of the legendary Bloody Mary. In deference to his mother, he's respectful of his female captives. Evelyn Paxton is tired of the pirate who has been interrupting the voyages of her shipping company. So she poses as the daughter of an earl to lure him into taking her for ransom so she can lead him into a trap for the British navy. Jamie doesn't trust himself to keep his usual respectful distance from the sexy-as-hell blonde, especially when Evelyn adds another facet to her cover, that of the seductress. But by convincing Jamie she is no innocent miss, she overcomes his gentlemanly inclinations and gets on board The Ocean Jewel. Add a storm, a secret island, and a shocking revelation of pirates past, and Evelyn and Jamie find themselves sailing through adventure to true love. ** A Siren Erotic Romance
