## **Eight Inches** Sean Wolfe

Sean Wolfe knows what men want. In his anthologies *Aroused*, *Taboo*, and *Close Contact*, he delivered smart, sophisticated tales of intensely erotic escapades. Now he goes one step further, with a collection of eight interconnected stories that explore the very nature of desire--how it shapes us, drives us, brings us together. . .and just how far we're willing to go to satisfy it. . .

A teenage runaway gets an education in the ways of the street, and the heart, from a gorgeous young hustler in "Street Smart." In "Head of the Class," a college athlete who's used his sexual talents to keep his grades up learns all about pleasure from one of his professors. The exclusive Kappa Lambda Phi fraternity includes a mind-blowing initiation that's only the beginning of their debauchery in "Frat Frenzy." And in "DudeSearch" two men who frequent an online site specializing in random hookups agree to meet--and are completely unprepared for the fireworks that explode between them. . .

As compelling as they are explicit, these stories offer more than instant gratification. They're funny, touching, intimate, and complex--and of course, incredibly, irresistibly hot. . .
