**Playwright's Survival Guide: Keeping the Drama in Your Work and Out of Your Life** Gary Garrison

*The Playwright's Survival Guide* is written for both aspiring and established writers looking for an emotional, spiritual, or just plain practical connection back to what's important - the writing. It's a "how-to-be" book - with thoughts, stories of inspiration, a few tricks of the trade, a few outlets for venting frustrations, and a reassuring voice that speaks to all the doubts with an "I know. I've been there. This is what you do . . ." Gary Garrison demystifies the playwriting process, speaking honestly, poignantly, and with humor about the lessons he's learned along the way. He explores the issues playwrights face every day, including:

- inspiration
- criticism
- self-doubt
- relationships with teachers and mentors
- the art of self-promotion
- writer's block
- staying healthy in the art after your fingers are off the keyboard.
