Can exes be friends? The answer to this question is tested and revealed in The EXchange, the third installment in the story of Kyla. When readers first met Kyla, she was a confused young woman struggling with her sexuality. By the time we met her again, she was a loose philanderer, bed-hopping in her search for love. She found it with the beautiful, no-nonsense Asia. After nine years of solid commitment, Kyla is bored with the monotony and simplicity of their day-to-day relationship. She soon finds the excitement she craves, but not in the right place. Angie, her ex turned longtime friend, is single again, and she's ready and willing to fill the void Kyla feels. Will Kyla trade the stability she has with Asia for the passion she's been missing?
