Unlikely Warriors: General Benjamin H. Grierson and His Family Shirley A. Leckie, William H. Leckie

Unlikely Warriors is the story of Benjamin Henry Grierson, Civil War hero and postwar commander of the Tenth Cavalry "Buffalo Soldiers," and his family on the western frontier. In 1863, Colonel Grierson led a cavalry brigade of 1,700 men on a daring raid through Mississippi, which helped Ulysses S. Grant launch his successful campaign against Vicksburg. In the army reorganization of 1866, Grierson accepted an appointment as colonel of the Tenth Cavalry, a command of white officers and black enlisted men. In this biography, William and Shirley Leckie explore three generations of Grierson's family, and for this edition they include a new preface on recent interest in the Buffalo Soldiers.
