A Little History of the World: Illustrated Edition E. H. Gombrich

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages.

Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work.

For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index.

Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

From reader reviews:

Nancy Sena:

The book A Little History of the World: Illustrated Edition has a lot associated with on it. So when you check out this book you can get a lot of gain. The book was written by the very famous author. This articles author makes some research before write this book. That book very easy to read you can obtain the point easily after scanning this book.

Marilyn Leonard:

In this era globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher that print many kinds of book. Often the book that recommended to you is A Little History of the World: Illustrated Edition this reserve consist a lot of the information from the condition of this world now. This book was represented just how can the world has grown up. The language styles that writer make usage of to explain it is easy to understand. Typically the writer made some exploration when he makes this book. Here is why this book acceptable all of you.

Naomi Taylor:

This A Little History of the World: Illustrated Edition is brand new way for you who has interest to look for some information because it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this A Little History of the World: Illustrated Edition can be the light food in your case because the information inside this specific book is easy to get through anyone. These books produce itself in the form that is certainly reachable by anyone, yeah I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So there is absolutely no in reading a reserve especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the item! Just read this e-book sort for your better life and also knowledge.

Carlton Wood:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this A Little History of the World: Illustrated Edition can make you truly feel more interested to read.
