American Sarmiento: Tras los pasos de un viaje que cambió la historia argentina (Spanish Edition)

Hernán Iglesias Illa

En 1847 Domingo F. Sarmiento llega a Nueva York y, fascinado con lo que ve, cambia su modelo de civilización, que ya no estará forjado sobre el de Europa sino sobre el de Estados Unidos. Un siglo y medio después, Hernán Iglesias Illa recorre los pueblos de Nueva Inglaterra, los lagos de Ontario y las montañas de Pensilvania buscando la huella de Sarmiento, mimetizándose con él y reflexionando sobre aquellos dos meses norteamericanos que cambiaron para siempre la historia argentina.

Al igual que Viajes, del que intenta ser una especie de remake, American Sarmiento es un libro generoso y palpitante, personal y universal, sistemático y arbitrario, una mezcla intensa de géneros y registros: relato de viajes, ensayo histórico, crítica literaria, autobiografía, panfleto político, relato epistolar. Y, como su modelo, también puede ser leído como una novela.
