Beady Bear: With the Never-Before-Seen Story Beady's Pillow Don Freeman

Upon its 1954 debut, the cuddly classic *Beady Bear* was praised by *The New York Times* as "the kind of book small children will delight in." Don Freeman, author of the acclaimed children's story *Corduroy*, recounts the whimsically illustrated tale of a wind-up toy who longs to live like a real bear. When Beady learns that bears are brave and live in caves, he resolves to give it a try ? and discovers that being real is actually about loving and being loved.

This longtime favorite is presented for the first time with its previously unpublished sequel, *Beady's Pillow*, another heartwarming charmer only recently discovered by the author's son. Beady's friend Thayer sets out to retrieve a pillow that the adventurous bear has lost, and when Thayer disappears into a cave and doesn't come out, Beady has a chance to prove his bravery.

Crystal Babin:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Beady Bear: With the Never-Before-Seen Story Beady's Pillow can make you truly feel more interested to read.
