**La venganza de la valquiria (Serie Jan Fabel) (Spanish Edition)** Craig Russell

Los cielos están manchados con la sangre de los hombres... Mientras las Valquirias cantan su canción. Esta frase de la saga islandesa de Njal es una entrada perfecta para explicar la situación en la que se encuentra el detective Jan Fabel. Sus relaciones con las mujeres de su vida se están volviendo cada vez más complicadas: su pareja, Susanne, desea afianzar su compromiso; su hija está planteándose unirse al cuerpo de policía, algo de lo que su ex mujer le culpa a él. En este estado de cosas, un violento asesinato en el distrito rojo de Hamburgo desentierra el fantasma de una asesina en serie que hace diez años actuó impunemente y que nunca fue capturada. ¿Será posible que se trate de nuevo del Ángel de Sant Pauli? Mientras los crímenes se suceden sale a la luz un proyecto olvidado de la Stasi: poner en marcha a un grupo de sicarios de elite formado enteramente por mujeres que se denominó Valquiria?
