It is like a preview of the FAA exam (or "checkride"), which is required by the FAA for all pilot license applicants, to be given by a checkride instructor, one-on-one with the student. But this guide is written for candidate pilots learning the basics associated with the license they seek, and for those getting ready to take their checkride, as well as licensed pilots who need a "brush-up" before their flight review.

The major tradeshow and conferences for this audience include: Oshkosh, Sun 'n Fun, AOPA Expo. This audience reads AOPA Pilot, Flying Magazine, Flight Training, Plane & Pilot magazines. The oral and practical tests are required by the FAA for obtaining pilot licenses to fly, so these Oral Exam Guide books are indispensable to students pursuing pilot licenses.

Additional study questions are included at the conclusion of each chapter to further aid learning. Answers were researched using FAA documents as well as interviews with FAA examiners, and are supported by references throughout so readers know where they can go to learn more.
