LES PORTES DE JANUS Anatomies de serial killers (Camion Noir) (French Edition) Ian Brady

Brady est parti d'un constat simple : les études faites sur les tueurs en série et sur le meurtre en général ont été écrites par des universitaires, pas par les tueurs. Il prend donc la plume pour exposer ici sa vision de la société, sa conception du bien et du mal, le concept du relativisme moral et il démystifie le tueur en série. La seconde partie du livre est consacrée à l'étude de tueurs en série célèbres. Brady décortique tour à tour leurs personnalités et dresse leur portrait psychologique en faisant la distinction entre les psychotiques et les psychopathes. La lecture du livre permet de mettre en perspective la société dans laquelle nous vivons et de comprendre que tout ce que nous considérons comme normal ne l'est que parce que nous avons appris que c'était normal. Notre éducation est un véritable conditionnement et c'est à travers lui que nous interagissons ensuite avec le monde qui nous entoure. Les normes et les lois sont dictées par les classes dirigeantes. Et comme ce que l'homme crée, l'homme peut le défaire, certaines personnes enfreignent la loi. Brady pense que ces personnes ont une prédisposition naturelle à violer la loi. Alors, pourquoi certaines personnes franchissent le pas ? Pourquoi d'autres se contentent de leurs fantasmes ? Ont-elles plus peur du crime ou du châtement ? Brady est-il finalement si différent de nous ?

Henry Vance:

You can spend your free time to read this book this e-book. This LES PORTES DE JANUS Anatomies de serial killers (Camion Noir) (French Edition) is simple to create you can read it in the park, in the beach, train along with soon. If you did not get much space to bring often the printed book, you can buy the particular e-book. It is make you much easier to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Crystal Lavigne:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this LES PORTES DE JANUS Anatomies de serial killers (Camion Noir) (French Edition) can make you sense more interested to read.
