Of Faith and Fidelity: Geoffrey Hotspur and the War for St. Peter's Throne (English Free Company) (The English Free Company) Evan Ostryzniuk

As the papal wars of the Western Schism rage across Europe, a young man takes his first step on the journey of a lifetime. Geoffrey Hotspur dreams of knighthood. As an English orphan-squire bonded to the court of Sir John of Gaunt, uncle of the English King Richard II, his prospects are few. An inveterate gambler already deep in debt, young Geoffrey accepts an invitation to participate in a raid on French lands. His plans go awry, however, after a deadly street brawl results in his banishment from court. As further punishment, he is ordered to join a royal commission bound for Florence. Accompanied by Jean Lagoustine, a mysterious Frenchman whose intentions towards the young squire are not all they appear to be, the ship upon which they journey is waylaid by corsairs. Barely escaping with their lives, Geoffrey and Jean find themselves forming part of a company of Catalanian crossbowmen en route to enlist with the Roman papal army. Intrigue and betrayal dominate the war between the two popes, and the young squire's understanding of faith and fidelity are soon challenged. The need to do right inspires Geoffrey to take a personal stake in the outcome of the conflict. With little more than his wits and a sword, the young squire must find a way to fulfill his duty to his lord, to his faith and to himself. As the war culminates in the final battle for the throne of St. Peter, will Geoffrey find that a knighthood is worth the risk to his honor?
