**A construção do perfil do assistente social no cenário educacional (Portuguese Edition)** Maria Cristina Piana

O tema do livro é a presença do Serviço Social na política educacional, como proponente e elaborador de projetos, levando-se em consideração o trabalho profissional realizado na educação em diversos estados e municípios brasileiros, desde a origem da profissão. A investigação foi feita como suporte a pesquisa bibliográfica, documental e de campo, realizada na Secretaria de Educação do município de Barretos/SP. A autora salienta a importância do Serviço Social em diversas cidades brasileiras e os projetos de lei existentes como proposta de se efetivar legalmente a atuação dos assistentes sociais na Educação. Ressalta ainda a crescente participação dos profissionais da área nas esferas estaduais e municipais, onde atuam em equipes interdisciplinares na elaboração de diretrizes e planos para uma educação de acesso a todos os cidadãos.
