Nadette Lawson knows when you're lying.

Every night for the past two years, the Balasura have visited her dreams, enticing her to enter their world. And every night she's seen through their lies. Now, they're tired of playing in the shadows and they begin to stalk her in the waking world. It's no longer just an invitation; if Nadette doesn't join them, they'll take her family. Forever. She needs help, and the haven she's seeking may be just out of reach.

Julian Teagan is a master of deception.

To survive, he has to convince the world his mother isn't useless, that everything's fine, otherwise he'll lose what little he has left in this life. He knows the lying won't be enough to keep him and his mother in the shadows, but it's all he knows. The only light of truth is Orane, a Balasura who sees past Julian's facade and challenges him to face the darkness.

Then Orane is killed, and Julian learns his mentor was far from innocent. The Balasura have hunted children like him for centuries, and their next target, Nadette is his one chance at finally being a part of something real. If Julian can just convince her to trust him...
