A single volume of the most beautiful texts by Herman Hesse including intimate memories of his final years. Hesse collected life sketches, poems, aphorisms and short essays dedicated to the ultimate challenge of a writer who had already accomplished a celebrated body of work — that of accepting his final years and the approach of death with grace.

Pushkin Collection editions feature a spare, elegant series style and superior, durable components. The Collection is typeset in Monotype Baskerville, litho-printed on Munken Premium White Paper and notch-bound by the independently owned printer TJ International in Padstow. The covers, with French flaps, are printed on Colorplan Pristine White Paper. Both paper and cover board are acid-free and Forest Stewardship Council (FSC) certified.
