Mastering Mambo : E-Commerce, Templates, Module Development, SEO, Security, and Performance

Christian Wenz, Tobias Hauser

Using a highly graphical, practical style the experienced authors show you how to get the most out of Mambo's more advanced features and abilities. Mastering Mambo is the book for anybody who has developed a Mambo web site, and wants to expand what their site can do and make the most of this powerful content management system. It is not a tutorial in the Mambo basics. Nor is it a comprehensive reference to Mambo's workings. Instead, it shows you how to employ Mambo's most powerful and useful features in your own site or intranet.
