Sermões (Portuguese Edition)

Nuno Ramos

Sermões (Portuguese Edition) Nuno Ramos

Quando, em 2011, o Nuno me pediu que lesse esta obra, queria uma resposta para a questão que se colocam os escritores inteligentes: se o que fizeram merece nascimento. A par, revelou-me que a coisa ficara maluca.

Corajosos, sábios os que questionam a maluqueira sem resposta da existência humana!, sejam eles Platão, o filósofo que banii os poetas da República, ou o protagonista deste Sermões, professor de filosofia reformado, autobanido tornado poeta. Obsceno significa, etimologicamente, fora de cena. Esse, o lugar dos exilados.

Respondo que, além de nascimento, este livro merece júbilo, celebração. Não são hoje os leitores dos poetas, como os poetas, exilados?

No espaço linguístico e cultural da língua portuguesa europeia e sul-americana, o vocábulo "sermões" remete ao padre Antônio Vieira (Lisboa, 1608 - Salvador/ BA, 1697), cuja vida de pregador ecoa em nossa memória cultural coletiva.

Um sermão é uma obra de circunstância aplicada a uma ocasião (litúrgica, da vida política, religiosa ou institucional). O autor está fisicamente envolvido no sermão enquanto pregador, oferecendo o corpo, a voz, o pensamento à assembleia. Uma componente biográfica marca tanto a leitura pública (forma sui generis de publicação) quanto a redação.

Autobiográfico, o protagonista de Sermões escreve para si sobre si, não para se comemorar mas para se registrar, nisso condensando as questões identitárias que todos os seres humanos se colocam alguma vez. Quem sou? O que faço aqui? Vale a pena? Subjacente, a dúvida quanto ao valor das condutas humanas que parecem esvaziadas dele (o cio cego, por exemplo) e, conseqüentemente, as questões do suicídio e da loucura. Coisa maluca.
