Interested in Japan's infamous and colorful sex trade? This guide to sex in Japan presents the in's and out's with extensive details and background information.

Japan's Sex Trade offers a probing, step by step tour of the country's astonishing professional sex scene: salacious soaplands, hedonistic health clubs, and startling S&M snackbars, as well as the colorful characters who populate them and the off-color language they use.

Highlighted are menus of the sexual services offered in each particular area of the red-light "floating worlds" with all specialties unblushingly detailed. As a backdrop Japan's particular pornographic scene is introduced: in a country where acrobatic soap ladies swing from the ceiling and too much pubic hair shown in a magazine can unleash a police raid.

As the reader journeys from act to act and location to location, a panorama of the amazing eccentricity of the Japanese sex business emerges. Scandalous and controversial, this picture will fascinate the reader.
