Three magnificent mansions share a cul-de-sac on a beautiful Florida bay. But for three unforgettable couples, the exclusive neighborhood opens their hearts to the humble richness of hope, love, and faith. When Ann Thomas is summoned to Florida for the reading of the will for the father she never knew, her life is forever changed. She learns she has a half-sister, she has the chance to inherit millions, and her name is really Angelina. Brett Hamilton, CPA, is assigned to help Ann spend a lot of money in a short period of time. As soon as his 'assignment' with her is over, he's headed to Peru to be a missionary, something he's felt called to do his whole life. Ann still lives with the pain of having a mother who chose world missions over her. Can Ann risk giving her love to someone who might give it back, or should she ignore her growing feelings towards Brett to keep her heart safe?
