## **Storia di una sartina (Italian Edition)** Carolina Invernizio

La sartina Giselda è povera ed ingenua e vive, in un rione miserabile di Firenze, con un padre ubriaccone e una madre cieca. Però, è bella! Ma sarà proprio la sua bellezza, straordinaria come quella di un fiore spuntato dal fango, a trascinarla, attirando cupidi desideri, in un vortice di drammatiche situazioni che sfoceranno nella più torbida delle tragedie. L'Arno, il maestoso fiume che di solito attraversa con placidità la città del giglio, può trasformarsi in una fiumana putrida che trattiene nelle sue limacciose acque i più inconfessabili segreti. Un romanzo breve in cui, ancora una volta, Carolina Invernizio, aggancia magistralmente il lettore fin dalla prima pagina incalzandolo fino all'impressionante conclusione.
