Train Through the Video Game

Monty Campbell Jr.

Train Through the Video Game Monty Campbell Jr.

"In Rilke's title poem to his book *The Voices* he writes about the ones who are in need and have to sing, otherwise "everyone would walk past" them. That is "where you can hear good singing," he reminds us, where "God himself comes and stays a long time/when the world of half people start to bore him." Rilke's words kept returning to me when I read Monty Campbell, Jr.'s *Train Through the Video Game*, because these poems are about the people who have to sing and I certainly felt that God (or whatever word you give to the Great Mystery) was in the room with me, listening to Monty's "good singing." This collection of poems is one of hunger, wandering, drinking in the usual sense and drinking in the sense of the Sufi mystical poets, bearing witness to real America strewn with tossed beer bottles and cast off humans on a stolen land. Yet out of such shadowscapes the poet alchemizes a unique and haunting beauty lit with shards of love. This book is simply brilliant, moving, written by a Cayuga dreamer who will never leave you bored but make you want to linger for a long time." --Susan Deer Cloud
