César Vidal

El médico del sultán (Spanish Edition) César Vidal

El siglo XII se acercaba agitadamente a su fin cuando Saladino, el paladín del islam, decidió asaltar los enclaves cruzados en Tierra Santa. Se trataba de una empresa colosal que no sólo chocaba con los obstáculos planteados por caballeros como los templarios y hospitalarios, sino también por las propias intrigas surgidas en los palacios de El Cairo. En medio de ese mundo en permanente tensión, en el que la guerra era una forma más de hacer política, emerge, como un faro de serena inquietud existencial, la figura de Moisés ben Maimón, también conocido como Maimónides, el médico, rabino y filósofo que se había exiliado de Sefarad y que buscaba la paz en el otro extremo del mundo.

A través de las intrigas cortesanas y de los campos de batalla, de los lechos de los enfermos y de las disputas en las sinagogas, de las pesadillas y de los sueños de amor, Maimónides se convierte en nuestros ojos y nuestros oídos para visitar un microcosmos donde se entrecruzan guerreros, talmudistas, conspiradores, renegados y caballeros. Un mundo cuya configuración nadie puede escoger y en el que debemos encontrar la dicha y el significado de la vida.

El médico del sultán es otra extraordinaria contribución de César Vidal al género de la novela histórica, que despliega ante el lector los entresijos de la corte egipcia, las Cruzadas, los deseos de supervivencia del pueblo judío y el gran campo de batalla en que se convirtió el Mediterráneo durante la Edad Media. Pero, sobre todo, constituye un homenaje a aquellos que se entregan a la búsqueda de la sabiduría, la felicidad y el amor.

Paul Quintana:

Reading a book tends to be new life style on this era globalization. With studying you can get a lot of information that could give you benefit in your life. With book everyone in this world may share their idea. Books can also inspire a lot of people. Plenty of author can inspire all their reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write to their book. One of them is this El médico del sultán (Spanish Edition).

Wayne Joseph:

Within this era which is the greater particular person or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple way to have that. What you should do is just spending your time almost no but quite enough to experience a look at some books. One of the books in the top list in your reading list will be El médico del sultán (Spanish Edition). This book and that is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking upwards and review this publication you can get many advantages.
