The Mirror's Tale: A Further Tales Adventure (Further Tales Adventures) P. W. Catanese

Everyone has heard the story -- the dwarves, the talking mirror, the evil witch. But this tale doesn't belong to Snow White anymore....

Bert and Will, the twin sons of the baron of Ambercrest, are best friends. They do everything together and can't help it if trouble just seems to...find them. But the baron is fed up and has decided that separation will keep them out of mischief. One twin, he proclaims, will stay in Ambercrest for the summer, while the other will be sent to The Crag -- a foreboding, rocky outpost on the edge of the kingdom.

It is there, hidden in a forbidden black chamber, that one of the boys discovers a bejeweled and mysterious mirror. What is the precious object? And why does it make him feel so...powerful? Soon the twins' kinship is replaced by dark magic and deceit, and a kingdom hangs dangerously in the balance. What becomes of one who is ruled by the forces of evil? And can brotherly love conquer a consuming quest for power?
