We the People Are the Messiah Deborah, Jack Bartello

This book takes the reader on a journey with Jesus and other Ascended Masters. The first half of the book is about clearing the deeply held emotional patterns and negative connotations associated with Christ. The second half is about birthing the new Christ Consciousness and living the Christ Heart reality.

The book concludes with an inspirational and stimulating chapter wherein Jesus speaks directly to the reader. This chapter will "light your fire" of passion and creativity, and your desire to truly live as the spiritual giant that you are.
