Wiley CPA Examination Review, 2 Volume Set (25th Edition. 2 Vol Set) Patrick R. Delaney

Published annually in June, this comprehensive two volume paperback reviews all four parts of the CPA exam. Many of the questions are created by the author (and contributors) and are taken from previous exams, including new question formats. Volume One contains all study guides and outlines. Volume Two contains all problems and solutions. With over 2,700 multiple choice questions and 150 practice problems and essay questions, these books aim to provide all the information needed to pass the uniform CPA examination. The text covers all requirements and divides the exam into 44 self-contained modules which gives the candidates maximum flexibility in planning their course of study. It includes AICPA objective format (OOAF) questions.
