Ethnic Identity and Inequalities in Britain: The Dynamics of Diversity

Ethnic Identity and Inequalities in Britain: The Dynamics of Diversity

As the issues of inequality and ethnic identity become ever more prominent in politics and media, this book is well timed to play a useful role: offering in-depth analysis of the intersection of the two issues by experts in the field. Drawn from the last three UK population censuses, it not only offers a comprehensive overview of the topic, but also clarifies key concepts. Contributors highlight persistent inequalities in access to housing, employment, education, and good health faced by some ethnic groups, and the resulting book will be a crucial resource for policy makers and researchers alike.
