La vida que pensamos. Cuentos de futbol (Spanish Edition) Eduardo Sacheri

I like to tell stories about ordinary people. People just like me. People like those who have inhabited my life. I dont even know why those are the stories I feel like sharing. Maybe its because the sublime and exceptional of our ordinary existence seduces and excites me. Soccer is often found in those lives. Because we play the game since were children. Because we love a team and its jersey. Because it is one of those essential experiences upon which our childhood is founded and, as such, cements who we are and who well become. Eduardo Sacheri.
