In this exciting new series, the dramatic world of the Vikings is brought to life in vivid, historical detail. As brave warriors fight to defend family honor and tradition, they discover unexpected passion with memorable women who only further their resolve for justice . . .

Following his father's murder, Eirik Ivarson plunges into a maelstrom of brutal warfare. As outsiders threaten his homeland and all he holds dear, Eirik vows to maintain his focus and avenge the *jarl's* death. In his quest for revenge, he will leave everything behind, all he knows, and all he loves.

Asa Sigrundsottir, a spirited shieldmaiden with warm brown eyes, is wary of the golden-haired warrior discovered half-frozen in a storm. It is clear Eirik is a man of valor, bestowed with the gift of reading runes and destined for greatness. And despite the shadows in her past, he chooses her to help him on his journey. But when their bond is tested, it will take the strength of a hero to keep their love alive . . .

From reader reviews:

Sylvia Dasilva:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider when those information which is from the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Lord of the Runes (The Viking Lords) as the daily resource information.

Marlin Peterson:

Is it a person who having spare time then spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Lord of the Runes (The Viking Lords) can be the response, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?

Steven Holloway:

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book had been rare? Why so many question for the book? But any kind of people feel that they enjoy intended for reading. Some people likes examining, not only science book and also novel and Lord of the Runes (The Viking Lords) or others sources were given know-how for you. After you know how the good a book, you feel need to read more and more. Science book was created for teacher or maybe students especially. Those books are helping them to put their knowledge. In some other case, beside science e-book, any other book likes Lord of the Runes (The Viking Lords) to make your spare time a lot more colorful. Many types of book like here.

Angela Joseph:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Lord of the Runes (The Viking Lords) can make you truly feel more interested to read.
