QuickVerse 6

From BVS Reviews: The first thing that you'll notice about QuickVerse 6 is that when you open the program a devotion from the Oswald Chamber's book My Utmost For His Highest will appear on the screen. This will be a great asset for people who are looking for more than an average devotional. Another thing that is new in this version is the menu that pops up when you click on the right mouse button. This is a "Quick" menu that has functions like QuickSearch, QuickLink and QuickDefine. QuickSearch allows you to highlight a word and find all of its occurrences in the book. For example if you wanted to find the word "drunk" in the NIV bible, just highlight the word and right click your mouse. Then choose QuickSearch. All of the occurrences of drunk will pop up in a list box. QuickLink lets you see related reference material and bible verses. QuickDefine lets you see the definition of a particular word without having to check a dictionary.
