Quiet Thunder: The Wisdom of Crazy Horse Joseph M. Marshall

Mention the name Crazy Horse, and many of us will remember a history lesson about a faceless Indian warrior who defeated General George Custer at the Battle of the Little Big Horn. But beyond this singular event, who was this man? And what teaching did he offer to all peoples of every nation? In *Quiet Thunder: The Wisdom of Crazy Horse*, Lakota lineage holder Joseph Marshall III presents the first audio-learning program based entirely on the rich oral tradition of his people to share a vibrant portrait painted with the brush of reality rather than the distortion of legend. With him, you will meet a compassionate but purposeful man driven by the empowering vision of a Thunder Dreamer, one who walked the path of giving as opposed to gaining, honor instead of ego, and leadership through leading, not authority. To fully appreciate the lessons of Crazy Horse, teaches Marshall, we must first get to know the place he came from. With captivating detail, he transports you to a time when the Lakota lived the nomadic lifestyle of their grandparents' grandparents, and immerses you in the culture and value system of his ancestors.
