**(Digital format includes link to downloadable pdf)**The coloring patterns in this **coloring book** are inspired by nature's intricate, unique yet symmetrical *Snowflakes*.

As a **coloring book for kids**, coloring these patterns becomes a fun exercise in discovering the magic of color application and attention to detail.

As a **coloring book for grown-ups**, the patterns become a therapeutic means to switch off and allow your mind to 'relax' as you free your creativity and apply your unique color combinations.

All patterns are printed on one side only, to prevent color bleed. We also suggest you place a blank sheet of paper behind the page you are coloring. Use felt tip pens, ballpoints, gel pens or crayons - the choice is yours...

Be inspired and enjoy!

This book is suitable for ages 8 to 80+.
