Walden Dos (Spanish Edition) B.F Skinner

Walden Dos toma su nombre de la experiencia del filósofo H. D. Thoreau, que se retiró durante dos años a un lugar del bosque de Concord (Massachussets) llamado Walden para vivir en aislamiento, apartado de una civilización industrial que, según su propia experiencia, «convierte al hombre en instrumento de sus propios instrumentos». Walden Dos, la comunidad de Skinner, es «una comunidad de unas mil personas que gozan de un placentero ambiente rural y trabajan sólo unas cuantas horas al día sin ser obligadas a hacerlo. Sus niños son cuidados y educados por especialistas, la comida es buena y la atención médica y sanitaria, excelentes. Hay mucho tiempo libre. Florecen el arte, la música y la literatura, y se fomenta la investigación científica.» Es, en definitiva, una utopía construida de acuerdo con los últimos adelantos científicos, especialmente en el campo de la psicología social. Esta obra polémica, publicada en 1948 y traducida a numerosos idiomas, se ha convertido en un clásico y referente para millones de personas, que encuentran en ella un texto de plena actualidad en el que se plantea, a fondo y sin prejuicios, temas tan candentes y cruciales como la crisis de la familia, el problema de la libertad, la viabilidad de la democracia y tantos otros, adoptando, en la mayoría de las ocasiones, posturas revolucionarias.
