## **Bellagrand: A Novel** Paullina Simons

From internationally bestselling author Paullina Simons comes another compelling saga of heartbreak and redemption, and the devastating love story that led to *The Bronze Horseman*

*Love was just the beginning of their journey*

Gina and Harry gave up everything to be together. But they both want different things—from their marriage, from life, from each other . . . and from the shifting world around them.

Gina, independent, compassionate, and strong, desperately wants a family. Harry, idealistic and fiercely political, wants to create a better world, a better country. At a crossroads and at cross-purposes, they pursue their opposing dreams at great cost to themselves and those near to them. Through years of passion and turmoil they rail, rage, and break each other's hearts, only to come face-to-face with a stark final choice that will forever determine their destiny.

Their journey takes them through four decades and two continents, from extreme poverty to great wealth, from the wooden planks of the troubled immigrant town of Lawrence, Massachusetts, to the marble halls and secret doors of a mystical place called . . . *Bellagrand*.
