This book on castles transports readers back to the world of medieval fortifications to meet the people who built them and lived inside them. Readers explore the first earth-and-timber castles, take part in a siege, watch the community of lords and ladies, jesters, pages going about their daily lives - even peek into the Great Hall and deep down into the dungeons. The striking photography and well-researched, fact-packed text of this series has captivated young and older readers alike, and established the "Eyewitness Guides" series as the perfect way to learn.
