Southern Rustic Cabin

Southern Rustic Cabin

In the cool, wooded mountains of the South, each log cabin has a rich history and a unique personality. Homeowners featured here have preserved the age-old qualities of their cabins while renovating, revitalizing, and redecorating these treasures to support modern living and reflect their personal style.

Emily Followill's stunning photography shows every cozy corner of thirteen homes located in Tennessee, Georgia, North Carolina, Alabama, and Virginia. The writing tells the story of how each cabin and owner came together; as the owners changed their cabins, the cabins invariably changed the owners as well.
