## **The ElderCare Ready Book** Stuart Furman

Eldercare tends to sneak up on everybody involved. Adult children allow themselves to believe that their parents will never get sick or old. Parents fail to acknowledge that they will one day become dependent upon others. And ignoring the inevitable only makes it more difficult to cope when a crisis finally occurs. Fortunately, you can make your caregiving journey far easier by facing it head-on. The ElderCare Ready Book tells you what to expect and how to prepare for the challenges you'll encounter. You'll learn: How to be prepared for your eldercare journey How to implement the necessary steps to manage and control your loved one's care: How to identify what information and documentation you will need How to access certain necessary information How to organize and keep this data at hand for use when needed Common misconceptions about eldercare and legal documentation How to keep your loved ones safe What to expect from care providers And much more . . .
