Frederick Douglass was born a slave in Talbot County, Maryland, in February, 1818. From these humble beginnings, Douglass went on to become a world-famous orator, newspaper editor, and champion of the rights of women and African Americans. He was the most prominent African American activist of the 19th century. He remains important in American history because he moved beyond relief at his own personal freedom to dedicating his life to the progress of his race and his country.

This volume offers a short biographical exploration of Douglass' life in the broader context of the 19th century world, and pulls together some of his most important writings on slavery, civil rights, and political issues.
