Leo Corteccia e la Terra delle Sirene (Fantasy) (Italian Edition) Michele Scuotto

Torna Leo Corteccia e, insieme a lui, i personaggi che hanno reso questa imperdibile saga un must del fantasy per ragazzi.

Dopo la Dimensione del Ghiaccio a farla da padrone nel secondo, mirabolante, capitolo delle avventure ideate da Michele Scuotto, è la terra delle sirene. Un altro mondo parallelo in cui i nostri dovranno affrontare innumerevoli insidie, districarsi in un intreccio ricco di colpi di scena, superare gli innumerevoli ostacoli che incontreranno sul loro cammino.

Ancora una volta la missione che Leo dovrà affrontare - salvare una bellissima sirena catturata ed esposta come fenomeno da baraccone in un crudele circo, nonché trovare l'antidoto capace di risvegliare il ragazzo di colore rimasto vittima di una polvere soporifera - permette al suo autore di dimostrare tutto il suo straordinario talento narrativo. L'autore, infatti, segue alla lettera i punti cardine che sono alla base del successo di un sequel: più personaggi, più ambienti, più colpi di scena, più avventura, più pathos. E dimostra, ancora una volta, di padroneggiare gli stilemi del genere fantasy, riuscendo a catturare l'attenzione del lettore dalla prima all'ultima pagina.

Edito da Bibliotheka Edizioni.
