**Moving Beyond Church Growth (Prisms)** Mark A. Olson

Character development for communities of faith

Mark Olson believes that trying to meet unrealistic expectations for church growth, along with expectations that pastors be all things to all people, has resulted in low morale, even burnout, among clergy and dissension within congregations.

Olson's book argues that church-growth models exemplify and exacerbate the tendencies of the modern age and Constantinian Christianity, holding the church hostage to technique and marketing. These assumptions set up pastors and churches for disappointment and failure. But they also, in his opinion, miss an opportunity to envision a faithful alternative to the consumeristic church.

Olson's valuable book calls church leaders to faithful, bold, and courageous rethinking of congregational life and witness in substance, purpose, and style. His own 20 years of ministry in rural, suburban, and urban congregations inform an alternative rooted deeply in the past and anchored in strong leadership and worship, but also profoundly compassionate and engaged in the surrounding community. In this model, pastors' primary responsibilities are not to fix everything and everybody but to enable people to be present to each other and to provide hope.

#### **Mark Adair:**

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Moving Beyond Church Growth (Prisms) can make you experience more interested to read.
