## Sociology for Midwives

The study of sociology is now an essential part of all midwifery training, but it can often seem removed from the reality of midwifery practice. Midwives often ask: what is sociology? Why do I need sociology to be a midwife? How can sociology help improve my clinical practice?

This major new textbook answers these important questions and shows how sociology can inform the practice of midwifery in the twenty-first century. It provides a comprehensive, jargon-free introduction to sociology for midwifery students with no prior knowledge of the subject, as well as practising midwives with experience of dealing with sociological issues in their daily work. Although the book assumes little or no previous knowledge of sociology it provides enough depth to meet the needs of those with some background in the field. At every stage the links between sociology and everyday practice are emphasised and explained, using a wealth of case studies and examples. The book provides:

- Clearly defined learning aims and objectives
- Structured activities and questions for discussion
- A glossary of key sociological concepts
- Annotated suggestions for further reading

The editors and contributors have considerable experience teaching sociology at diploma, undergraduate and postgraduate levels to students from many different disciplines. This book will be an indispensable teaching aid within midwifery education, and other relevant health and social care disciplines.

### From reader reviews:

#### **Victor Smith:**

Reading a reserve can be one of a lot of task that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a publication will give you a lot of new information. When you read a guide you will get new information due to the fact book is one of many ways to share the information as well as their idea. Second, looking at a book will make you actually more imaginative. When you reading a book especially fiction book the author will bring someone to imagine the story how the people do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Sociology for Midwives, it is possible to tells your family, friends and soon about yours book. Your knowledge can inspire average, make them reading a e-book.

#### **Paula Daniels:**

Playing with family in the park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, subsequently why you don't try matter that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Sociology for Midwives, you could enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

#### **Tom Tucker:**

Many people spending their time by playing outside having friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to spend your whole day by reading a book. Ugh, do you think reading a book will surely hard because you have to take the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Smart phone. Like Sociology for Midwives which is having the e-book version. So , try out this book? Let's observe.

#### **Richard Thompson:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Sociology for Midwives can make you feel more interested to read.
