**How 3 girls tried to hook up with 78 guys in 1 semester: the final Installment.**

It's coming down to the wire....

**Jodi** has taken a job as a cab driver. What better way to meet random guys?

**Celeste** still just wants to meet Mr. Right. No matter what letter his name starts with.

**Ali** maintains a commanding lead. Unfortunately, she's stuck on "R."

But the girls have bigger worries than hooking their way up through the end of the alphabet. Somebody knows all about their little contest. Somebody sleazy. And if they don't do exactly what he tells them to, they're *all* going to lose.

Who would have thought the ABCs could be so dangerous?
